

BrewPub København

VESTERGADE 29
København, Region Hovedstaden 1456
Denmark

Phone: +45 33320060

BrewPub København is an innovative microbrewery with own restaurant and bar, right in the heart of Copenhagen. We are situated in a historic 17th century building just off the main square (Rådhuspladsen). Our beer garden in the brewery courtyard provides atmospheric surroundings for a relaxing beer in the summer months.
